## PERSONAL COACHING FOR RESULTS

By Lou Tice. Lou helps you tear down the roadblocks on your road to true happiness and success. In this book you will find that believing in yourself and following your dreams are only the beginnings of a successful and fulfilling life. Even greater joy and satisfaction can be achieved as you move beyond yourself and share what you have learned with others, helping them experience the same amazing growth.

## SMART TALK FOR ACHIEVING YOUR POTENTIAL

By Lou Tice. Lou takes you on a step-by-step journey to a more proactive, satisfying life by showing you how to clarify your vision, engage in confident self-talk, set and imprint achievable goals, take effective action, and build up the people and teams around you. Lou discusses the critical concept of self-efficacy and how it works to enable (or disable) success. A special feature is a revised and expanded version of Diane Tice's story of her winning battle with cancer, retold as a dialogue with Lou.

#990-055P SOFTCOVER EDITION: £15.00

## CULTURES OF EXCELLENCE, VOLUME 1

Culture is the linch-pin upon which an organization rises or falls. In Cultures of Excellence, the history and effects of culture through the years are explored, as well as the presentation of a dozen client success stories written by the clients themselves. Edited by Lou Tice, M.A. and Glenn Terrell, Ph.D.
